About Sabriya Solutions

Premium gifting made simple for companies in the UAE.

Sabriya Solutions LLC helps companies create thoughtful, practical and beautifully presented corporate gifts. Our catalogue is curated for HR teams, procurement teams, marketing departments and business owners who need gifts that look professional and feel useful.

We focus on customized gifts, employee welcome kits, promotional merchandise, awards, desk essentials, drinkware, bags and premium branded items. Every selection is designed to be easy to brand, easy to present and suitable for corporate use.

Curated

Shortlisted product ranges instead of overwhelming supplier pages.

Personalized

Logo branding, packaging and presentation based on your event.

Corporate-ready

Options suited for onboarding, events, VIP gifting and recognition.

What we help with

- Employee welcome kits
- Client appreciation gifts
- Event giveaways
- Awards and mementos
- Branded merchandise
- Custom packaging

Why Corporate Gifting Matters

A good corporate gift is useful, branded well and remembered after the event.

1. **Build stronger business relationships**
   Thoughtful gifts keep your brand present after meetings, events and campaigns.

2. **Improve onboarding experience**
   A practical welcome kit helps new employees feel prepared, valued and aligned with your company.

3. **Support brand visibility**
   Everyday items such as bottles, notebooks, bags and tech accessories keep your logo visible.

4. **Make events feel more professional**
   Curated giveaways create a better impression than generic one-off items.

The Sabriya Approach

We group products by business use case first - not by random SKU pages - so your team can choose faster and present better.

Build Your Custom Gift Kit

A simple way to create curated corporate gifting solutions.

Ask us for a curated welcome kit, executive gift set or event giveaway pack based on your budget, branding style and timeline.

1 **Choose the occasion**
Onboarding, client appreciation, staff awards, events, campaigns or festive gifting.

2 **Select the products**
Pick from curated categories or let Sabriya shortlist options based on your budget and audience.

3 **Add branding**
Logo printing, laser engraving, debossing, name plates, stickers, sleeves or custom boxes.

4 **Approve the layout**
Review mockups, packaging direction and final product details before production.

5 **Confirm quantity**
We prepare the quotation based on selected products, branding method and delivery requirements.

6 **Deliver professionally**
Receive clean, corporate-ready gifts for staff, clients, events or campaigns.
